Louisville did not prepare me for what I would see and do when I moved to LA. I got married to my high school boyfriend and, of course, it didn't work out. Then I moved to Southern California with my girlfriend and we got involved in a lot of stuff. One of my favorite things was to have a lot of sex with sexy guys and girls. And I got to try a double penetration, as you can see.

One of the biggest reasons I live in L.A. is the weather. I love being outside and I love to do shoots outside. But all that sun is not good for me and I have to use lots of lotion, especially on my boobs. They burn easy and are quite sensitive. I hate putting lotion on by myself, so I'm hoping you can help!

We couldn't wait for this sizzling Czech beauty to strip down and reveal her perfect firm breasts and a perfect taught ass. Jana took a dip in the pool while we waited for the crew to set up but Jana is so hot, the waters didn't have a chance to cool her down. She got out and down on her knees with her ass in the air. Needless to say, it took the crew a couple long hours to set up

I wanna make me happy!

Seems I've spent my whole life trying to make people happy. But what about me. Do I get to be happy. You bet I do. And I've just discovered a whole new way. I call it "Big Ballin" When I saw this big ball I just had to have it. I can exercise and fuck at the same time. I couldn't wait to bounce on it and sit on it, and bounce some more. If you like what you see, you should try it.

a marvelous look at the

PEARL NECKLACE

Lance and Suzie weren't rich by any means, but Lance loved to spoil his wife by giving her a pearl necklace whenever he could. Suzie was generally appreciative, although not when Lance unexpectedly misfires and shoots her in the eye instead.

What is a pearl necklace? Well, for those not in the know, one way to describe it is as the passionate result of a man shooting his cum onto his lover's neck, upper chest, shoulders, and/or boobs. Some say that it's the most wonderfully affectionate and affordable gift for a husband to give his newly-wed bride on their wedding night, or any day or night.

a marvelous look at awesome cum

“My boyfriend promised me a pearl necklace. So we’re lying in bed and I’m waiting for him to pull out a jewelry box. Instead he pulls out his cock and sprays all over my chest! WTF!!!”

“Last week I told my girlfriend that I had a surprise for her. We had only been together for a couple months, and while the sex has been pretty good, I wanted to do more than just cum in her mouth. So I learned about the pearl necklace and unknown to her, I practiced shooting on a towel until I got the right pattern down. Then, we’re in bed and I pull out of her mouth and shoot on her boobs, and yelled ‘Surprise!’”

a marvelous look at jizzed tit ties

“I have size DD boobies and I love them. My boyfriend loves them, too He loves them so much that he takes pictures and videos just of them. No face, no pussy, just boobies. But that’s okay by me. I’m flattered and, thankfully, it isn’t a weird obsession, just some clean sexual fun. Some of his best shots are after he cums all over my boobs. He calls it a pearl necklace. A short while ago he started a photo album of my boobies and there’s an entire section devoted to pearl necklaces!”

I came out to visit Marc, but when I got to his house, there was a photo shoot going on. Marc saw me drive up and said I could come in and watch if I wanted to. I said okay and found a spot outside. Then the photographer saw me and came over to introduce herself. She asked if I would pose for her, and I did. Do you like the photos?

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

I'm filling up at a gas station just off Florida highway 91 between Kissimmee and Saint Cloud. I'm headed back to Palm Beach after giving a series of seminars. It's late and the pump is slow so I'm looking around as I'm waiting for the fill up. It was because of her body that I stopped looking. It was because of her body that I fucked her. I saw her just outside the coffee shop about fifty feet away. She was sitting on a bench showing a lot of leg — great thighs, great legs. She definitely looked fuckable. About 25 or 26, I'd say.

She was in Daisy Dukes and blue cowboy boots. She had on a white T-shirt and she was nicely busty, not too big but pushing neatly against the fabric. I finished filling my Lexus and drove it over to the shop for some snacks before the drive back. When I parked the car a couple spots over from her, I walked past her and pushed my shades up saying a soft "Hello" as I went into the store. A couple minutes later I come back out, snacks and drinks in hand. I pretend to fumble with a couple bottles and ask if I can put one down on her bench.

"Car die on you?" I said, and looked at the grimy dust covered Audi in front of her, which had obviously seen better days. Those were about 20 years ago, I'd say.

"It gave a shudder and said 'so long,'" she said. "Are you headed towards Miami — maybe?"

"Palm Beach." I told her.

"Me too," she said.

"I'm in no hurry," I told her. "It's almost 10 and I had planned to stop at a motel in Port St. Lucie. It's been a long day and I'm tired."

She smiled, and suddenly she look prettier and younger. "Me, too," she said.

"You ready?" I asked. "Sling the case in the trunk."

She stood up. "I don't have much money to pay you. But there's other ways — right?"

I nodded. "Sure, as long as you're offering what I'm thinking."

"I think so," she said, and as we put Kissimmee behind us she told me her name was April. She was 27, and heading home to Miami.

I told her my name was Daniel — it's not — and that I was 35 — I'm not — and wrote software for a living — I do. We got in and strapped up. I backed out and we hit the road. April searched the radio dial for something we both could listen to — I was for some rock, she was for something mildly country (huh?). We drove for a couple hours and after midnight I pulled into a motel. We checked in as husband and wife, and once in the room, I decided to put her offer of payment to the test.

It was ice cold in the room thanks to the air-conditioner blasting away. I sat down on the bed and surprisingly, she sat on my lap and we got started. First thing I did, while she started to eat my mouth all hungry like, was to check out her boobs. They were pretty firm and they were very nicely shaped. The surgeon who had done the procedure knew his business.

I got her T-shirt off and found her bra was a wispy little black, see-through thing, and her nipples were thrusting into the flimsy material. I didn't remove it immediately, merely pulled my mouth from hers and went to her left breast to suck on the hard nipple. She moaned like she was enjoying it, so I slid her short jeans down her great legs and off the boots. She was wearing another little see-through number down there. I just love thongs.

I caught a wonderful whiff of her musky scent, and then I started to lick at her see-through black panty — I could see her labia flattened against the sheer material. She was a shaver, not a trace of pubic hair and I liked that. She tasted great and I didn't mind that either, but I wanted closer contact, so I dragged the thong off and went to work on her slippery flesh.

She began moaning even more now, and soon I was slurping down a streaming flow of sex juice from her pussy. As I lapped away at her pussy, I pushed my pants down and slipped my hardon free from my pants. Of course I was fully erect. Who wouldn't be? Going down on such a sweet pussy.

Then I moved up on top of her and pushed the tip of my cock against her pussy lips. She shifted slightly, to let me in and then I was pounding it into her.

Her moaning didn't stop, and I wondered when she last had a fuck, but soon all such questions vanished as I realized she'd gotten me in that age old pussy trap and I couldn't hold back, so I pumped a load of jizz into her.

Then we both stripped and went into the shower and washed off the dirt and grime from a days driving. Next door to the motel was an all night Tex-Mex joint, where we went and devoured two big bowls of chili, washing them down with some beers, and then it was back to the motel room.

April was all hot for an encore, and we stripped quickly and got down to work. I laid on my back, she laid on top of me and pushed her pussy into my face and let me lick it from ass hole to clit while she gobbled away on my stiffy. Now I won't lie to you, she sucked okay, but fucking her was so fine. Soon I rolled her onto her back, licked her big boobs for a bit, then with one long thrust, slid my cock deep into her pussy.

But this was the real thing. As a cock sucker, like I said, April was okay but as a fuck, she was great. She was one of those fuckers who liked to pull up their feet and stick their heels up on your butt. That gets me, it sorta gives you a nice deep fuck. Only I can't last long when the woman's doing that.

Opening my eyes to the dawn, I can feel my body still remembering the lovemaking of the previous night. My arms are tingly with memories of touching April during the night. My lips remember her soft, salty kiss. And my cock remembers the sweet tightness of her pulsing pussy each time I made her come. She is breathing deep next to me, still asleep. I lay on my back as the first rays of

the dawn start to creep in through the shades. Turning to look at April next to me under the same sheet, I watch the curve of her hips and her nice slim waist. She looks beautiful there, her hand on top of the sheet, her nice thick hair spread on the pillow, her beautiful tits pushed together as she is on her side facing me.

The morning light is growing outside, and I know that I should wake her up. I turn on the bed and she moves still in her sleep. Taking my hand to her face, I move some locks of her hair and kiss her cheek gently.

“Good morning.” I whisper.

April smiles a little at the touch of my lips, and I can feel her breathing change as she wakes up. I kiss her a second time, just on the side of her head, then I kiss her ear, once, twice, then more times. When I reach her earlobe and give it a kiss and a flick of my tongue, I can feel her breathe in deeply and react to my touch. She is awake now.

She turns on her back and raises her arms above her head and her delicious lips are now there just wanting to be kissed. With her arms raised, her breasts are now exposed from under the sheet, perfect, soft, round mounds of her femininity and I cannot resist I put my hand on top of her left breast, and gently touch it, but not touching the nipple. She sighs out in pleasure from my touch. I keep my hand where it is, and kiss her closed eyes. I

sense her craving for me to touch her more, to feel my hand all over her body. Briefly I entertain the idea of letting my hand wander down her smooth belly, slowly teasing her with my fingers, and finally touching her there, at the hot intersection of her legs, letting my fingers bring her to another orgasm. But I resist. I want her to feel the need build up for later. I want her to wait for the release this time.

She opens her eyes, and her look seems to beg me to make love to her right there, right now. She arcs her back and her boobs push against my chest and I almost lose my control. My cock is semi hard. A deep kiss from her and I would lose it, and sink my cock. But, I want our release later to be all the more sweeter.

I put my hand on her lips. “When we get to Palm Beach.”

She looks at me, opens her mouth and takes my finger in her mouth, sucking it, tenderly biting into it and at the same time her tongue is twirling, teasing it. She can feel my erection now pushing against her hip, and releasing my finger, she smiles at me.

“Such a shame to waste this. Are you sure?” she asks teasingly. Her nipples erect, her beautiful body there next to me. I come close to relenting, but I don’t.

With a final kiss we come to a silent agreement. Minutes later we leave the motel and head to Palm Beach.
