Michelle Thorne's SPUNKMAIL

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Send me your letters to: Men Only, 20 Lyon Road, Hersham, Surrey, KT12 3PU or mail menonly@paulraymond.com

I've always been a breast-man and like a lot of blokes, my opinion is that the bigger the boobs the better. Personally, I feel that a woman should aspire to look as feminine as she can, with curves in all the right places.

I got especially lucky when I met my current girlfriend, Gina, as she has the best pair of norks that I've ever had the pleasure of spraying my load across. Surgically enhanced, with dark, pointy nipples, Gina's firm, bouncy boobs are definitely a cut above the rest of the drooping big bazookas I have previously experienced.

She doesn't need the help of an uplifting bra to display her cleavage, as her love

pillows stick out from her chest in the same shapely way that a Barbie doll's do.

Since meeting her some months ago, I've fucked her in every possible position, and to my intense satisfaction she is always hot and ready to take cock in either hole. I've even made some alterations to my bedroom so that when I do her from behind I can still see her fabulous tits reflected in the mirror.

Only last week I was reading the paper when I heard Gina running a bath. I decided to go upstairs to watch her soaping herself, so stripped off my clothing, dropping it on the way. I was getting hard just thinking about her body, and when I reached the bathroom Gina was already in the tub.

Her massive hooters seemed to float on the top of the bubbles as she lay back soaping one of her long legs, which she had resting on the side of the bath. She seemed surprised as I took the soap from her hands and began lathering her bobbing

breasts. She lowered her leg back into the water and, as I cleaned her tits, she began to gentle play with her clit.

I massaged, squeezed and scrubbed her beautiful globes as she gasped and mewled sweetly during the orgasm that soon rippled through her lithe body.

Satisfied, she settled her head back, her breath coming in harsh gasps as she recovered. Eventually she climbed out, her magnificent tits heaving and wobbling after her exertions. Sitting on the edge of the bath, she paused for a moment, her wet body shimmering under the bathroom light.

Trickles of water flowed down the valley between her gorgeous breasts, running in tiny rivulets towards her lovely pussy. Noticing that my gaze had drifted downwards, Gina parted her legs wide to give me an open view of her snatch. Using two fingers, she parted her glistening labia lips, displaying her deep pink interior, while stroking her slit with her other hand.

Before long she was moaning softly, her knockers heaving as her cunt muscles twitched, contracting as they strained against her teasing fingers. Convulsing wildly, her pussy sprayed out tiny droplets of her feminine juices as she came with a series of primordial screams that echoed throughout the bathroom.

A grin on her pretty face, she reached across me for a towel and as she did I caught a whiff of her natural aroma, causing my growing erection to harden and I felt an almost desperate need to fuck her.

Noticing this, she took one globe in her hands, raising it to her lips and lapped at her hardened nipple, sucking and nibbling until it stood proud. Happy with the result, she transferred her attentions to the other one, and as I watched this cock-stirring performance my penis throbbed even more urgently.

I could wait no longer and, picking her up, I carried her in to the bedroom and laid her down on the bed. Her legs moved apart, spreading wide in invitation as I moved my rock-hard shaft between

LOWE WONDER!

LUCY

British, big-boobed and blonde - if that's not a winning combination for a Men Only favourite, then we don't know what is! So the only question is, how come we haven't featured the Babestation beauty before (That's enough 'B's now - Ed.)? "Well you tell me!" she laughs.

"I mean I guess I've been pretty busy of late, but I'm sure I could have made time for a Men Only shoot or six!"

Hmm, looks like we're going to have to take the rap for this one then - still, better late than never, eh? And at least that gives us the excuse to catch up on lost time by seeing plenty more of Lucy in the months to come!

...Continued from page 4

her thighs. Holding her pussy lips apart she urged me to fuck her hard so I plunged my big, hard prick into her sopping gash with one tremendous thrust.

I fucked her slowly and deliberately, pulling my meat back until my cockhead was just inside her entrance, before slamming it back in again until I was buried to my balls inside her tight cunt. Taking my weight on my elbows, I began squeezing her silicone-enhanced bristols, marvelling at their texture and mobility.

No matter how often I have fucked Gina, manhandling her huge orbs has always led to the ultimate climax for me, and this time was no exception. With my fingertips digging into her bouncing tits I came fast, pumping my load deep inside her squirmy cunt. Her pussy gripped my shaft as I hammered my rod in and out of her until I had unloaded every last frenzied drop of my cream.

Wrapped up in the ruffled bed sheets, we lay together, her damp body snuggled close to mine, and I buried my face in her soft bosom and fell into a peaceful sleep. Gina awoke me some time later by kissing my lips softly. Pulling her to me, my fingers found the ripe buds of her stiffened

nipples and I tweaked them playfully as she ground her twat against my stirring dick.

Instantly feeling horny, I decided that I would treat myself to a tit wank between Gina's fun bags. She

"Fucking my cock back and forth between her wobbling wonders felt amazing."

Dear Michelle,

Wow – what can I say? As soon as I opened my copy of 80.03 and it fell open on pages 10 and 11 I was completely awestruck by the beauty of Kiara. If I've ever seen a girl who deserves at least 11 out of 10 it's this blonde stunner, with her taut body and neatly trimmed thatch of pubes showing off her pussy to the best possible effect!

She says she wants us Brits to be able to see her pussy in their mind's eyes when they go to bed at night, and as far as I'm concerned, her wish has come true! Not that it makes getting to sleep any easy, sadly.

More Kiara soon, please!
Frank, Whitby.

KI WHIZZI!

lay on her back while I straddled her stomach and, as she held her beautiful pair together, I treat myself to a tit wank between her wobbling wonders felt amazing, and as I

repeatedly pumped between them I felt myself nearing to climax. As she squirmed enchantingly under me and bounced her buttocks up and down, I realised I would have to withdraw my prick immediately if I was not to shoot off on the spot.

Dear Michelle,

Congratulations to your photographer Dazglam for capturing a couple of brand new stunners this issue (80.03)! Maria looked far too innocent for *Men Only*, frankly – until she yanked her little golden panties to one side and showed us that delectable little slit of hers, that is! And as for Carrie, well what an amazing girl, with one of the finest pairs of boobs I've seen in many a moon! I have to say I think it's amazing that you manage to track down these stunning girls month in, month out and get them to pose for all these horny photos – I don't know how you manage it, but long may it continue!
Alan, Beds.

I turned my attention to her pussy, which was soaking from our boob-play, so I slid my thickened member easily into her juice-coated minge. Shunting my dick back and forth inside her, I kept a tight hold of her knockers while admiring the view of the action I could see in the mirror. As I drove my tool inside her as hard as I could muster, my balls slapped against her arse-cheeks and her fanny muscles clamped around my shaft, attempting to milk it of my come. Unable to hold back any longer, I plunged my cock in to the hilt and shot jets of sticky jizz deep inside her, making us both cry out. I hope Gina and I do last as a couple, as our sexual tastes and drives are very similar. However, if it does not work out, I know I shall be seeking another buxom lady to share my bed!
Geoffrey, Lincolnshire.

FOR HER: FIFTY SHADES OF GREY 'INNER GODDESS' SILVER PLEASURE BALLS

£24.99 from Lovehoney.co.uk

Beautifully packaged and well made, aesthetically the sleek Silver Pleasure Balls are a winner. The discreet, solid metal spheres are 1" in diameter, meaning that when inserted they will ensure a deliciously full feeling, whilst stimulating your g-spot. The steel-plated ring makes them simple to remove and because they are waterproof, you can use as much lube as you like! Heavier than other such balls (at 221g), you may not want to walk around with them in, but they are perfect for Kegel exercises, toning your PC muscles wonderfully. And if you're feeling particularly adventurous, they can be used anally, too – however, we'd recommend working your way up to it otherwise you won't be walking properly for a week...

FOR HIM: FIFTY SHADES OF GREY 'YOURS AND MINE' VIBRATING LOVE RING

Available now from Lovehoney.co.uk
£12.99

Made from a super-soft silicone material in a – you guessed it! – grey colour, this cock ring is stretchy enough to accommodate most penile sizes, and once on it grips tightly enough to restrict the blood flow, delaying that moment for just a bit longer. The small but powerful bullet uses 2 tiny batteries (though there are 6 included) and is strategically placed on the top of the ring to give both you and your partner the full leg-quivering benefit of its vibrations. Plus, because it's completely waterproof, you can use it in the shower or bath – and cleaning it is a doddle!

P.T.O for more...

NATALIA

Photos: BB Media

As the pictures on these pages demonstrate all too clearly, *Men Only* fave Natalia Forrester is an extremely versatile sort of model! The picture on the left, you'll observe, sees her looking all pure and innocent – the pic wouldn't look out of place in one of those coy lingerie catalogues we all used to pore over as lads. Yes, she's in her underwear but that's because hey – we all need to wear something under our outer clothes! But look, a quick flick of the hair, a slightly different expression and we have, in the picture on our right, a very naughty vamp who's just challenging you to pleasure her! Talk about artistry. Oh, and on top of that she's got one of the loveliest bodies in the business! Don't it just make you feel glad to be alive?!

JEZABEL

Photos: Exposuzione

OK, so the spelling's a bit different, but if a girl's named after a licentious Biblical character you're surely onto a good thing, aren't you? And if the girls half as stunning as *Men Only* newbie Jezebel here, then you're onto a bloody good thing indeed!

"Yeah, well I remembered reading about Jezebel in Sunday School classes," she explains, "and I was immediately fascinated by her – the way she'd got such a bad name and that. And when I was thinking of a name to use when I started stripping and modelling, it seemed like the perfect choice! Maybe it won't be long before people have realised it isn't such a bad thing to be a Jezebel after all!"

Hmm, well firstly it sounds like your Sunday School was a lot more interesting than ours – we didn't get near to all the saucy stuff in the Old Testament! But secondly, didn't Jezebel come to a particularly unpleasant and sticky end?

"She certainly did! And while I certainly hope nobody throws me out of a window to be eaten by dogs, I'm not averse to a sticky end myself now and again!"

Amen to that!

“Clit rubbing is cool, but I come quicker from getting filled all the way.”

TASHA REIGN

The way this blonde bombshell sucks cock, you'd never think she was a vegetarian. But we're happy that Tasha Reign is willing to make a sacrifice for art. An all-American girl with an amazingly sexy body and a dildo obsession who was born in 1989 and raised in gorgeous Laguna Beach in California, Tasha is a student by day and a porn starlet by night. After having done cyber-modeling for Playboy, she decided to take a shot in the porn industry two years ago. She is still one of the newest starlets but definitely one of the most up-and-coming!

After a string of movies, magazine spreads and a Penthouse Pet title, she has already had the opportunity of interacting on a carnal level with some of the biggest stars. She's a green-eyed 5'5", 110 lbs babe with a great set of fake tits.

On top of that, Tasha also has an ass that shakes with ease.

Not only does her perfect body attract the attention of porn fans worldwide, but her healthy appetite for sex keeps fans eager for more scenes.

Tasha has worked with all the major porn companies, and we expect to only see more from the increasingly popular star.

So what does the girl herself think about things...?

How would you describe yourself when you were growing up?

I was the girl who always got into trouble, mostly with boys. I was always a wild child, but when I lost my virginity, I really went crazy! I wasn't a great lay but I was a very eager student and I learned quickly from the older boys.

And, since then, what have you learned about sex from the adult industry?

Well, many things, but especially how much men love dirty talk. Before I started in the business I didn't realize that you can never be dirty enough!

Do you watch porn?

Yes, I watch quite a bit, but I only really like super glamorous scenarios. I don't like porn with a gritty realistic look and feel and ugly actors. I mean, why bother watching porn if it's not a sexy fantasy, an escape from everyday life?

How often do you masturbate?

All the time, practically, and always the same way; in bed with the largest

“Even when I’m having sex with someone I want to bring a dildo into the bed...”

dildo I can find.

So you enjoy sex toys?
Only the ones that are shaped like real cocks, not the small vibrators, although I use those too if there is nothing better around. I have a huge dildo fetish, and even when I’m having sex with someone I usually want to bring a dildo into the bed.

So I guess you prefer men that are well-endowed?
I do, but I like regular size cocks too. My crazy big dildos are good when I masturbate, though. It adds an extra dimension and makes me come quicker.

Do you have a boyfriend?
No, I broke up with him when I started in the business. I mean, why have a boyfriend who will be jealous and controlling when I can fuck a new guy every day without feeling guilty?

Are you bisexual?
Yeah, I would hook up with girls prior to porn. But I still crave cock so if I’m with a girl in my personal life, we usually use strap-ons.

What is the quickest way for you to climax?
G-spot stimulation and deep penetration do it for me. Clit rubbing is cool too, but to be honest I come much quicker from getting filled all the way.

What’s the most unusual sex scene you have done so far?
I have done a few foot fetish scenes and those are always a little awkward because it is difficult to keep your balance and stroke the cock with your toes. I have to say, I’m not very good at it. A cock in my mouth or pussy is a hell of a lot easier, and more fun too!

What do you do when you are not working?
I just stay home and eat and watch movies in my sweatpants. I have two dogs and two cats to keep me company. I sometimes do a little yoga but, overall, I’m a very lazy person. I don’t even wear make-up if I’m not filming.

What are your aspirations in the adult industry?
I want to continue shooting for a long time, to become a true household name and have my own signature sex toys, website, lingerie and maybe a production company...

Do you think you will ever settle down with some lucky guy?
Sure, I’m sure I will be a married housewife with eight kids living out in the suburbs one day!

What is your idea of a perfect vacation?
Going to Hawaii and hang out with a hot guy and drink tequila and fuck on the beach.

AMARNNA

Well, we've certainly had a few interesting names this issue, and we're rounding things off with another one. Erm, wasn't Amarna a long-lost Egyptian city, capital of the heretical Pharaoh Ahkenaten? "Wow - can't believe you knew that? Yes, it was. I've always been really interested in ancient Egypt, and that's why I chose the name." Ah, you've got to get up pretty early if you want to get one past us, Armana - and besides, the internet's a wonderful thing. In any event, we'd much rather spend a few hours exploring a couple of your valleys than we would the Valley of the Kings! "Tut-Tut!"

BAD COP, BAD COP

My girlfriend, Natalie, has some very filthy fantasies. I know for a fact that she often imagines someone else is fucking her when we have sex and she really enjoys pretending to be other people. She dresses up as sexy Susan, a secretary who likes to be spanked, and anal Annie, a prostitute who's paying her way through college by selling a particular part of her body but even Natalie can't play two parts at the same time.

"I've got something sexy I want to do," she said. "And I'm going to need someone to help me do it." Experience told me that if Natalie thought something was 'sexy', it was going to be something really special. However, I'd assumed that I was going to be the one to help her. That was until I opened my front door on Friday night. Natalie was standing there with her blonde hair pulled into a tight ponytail under a black hat. "Good evening, sir. May we come in?"

"We?" Natalie stepped aside to reveal a woman wearing mirrored sunglasses, despite the fact it was dark. As she came into view, my eyes were drawn down to the black leggings which clung to the girl's legs and crotch like a second skin.

"It's something of a delicate matter," Natalie confided, making me appreciate the tightness of her own uniform as she leant forward far enough for her full cleavage to come on display. I stepped aside and marvelled at the commanding way the police officers moved inside.

"Can I see your cock please, sir," Natalie asked, as soon as I'd closed the front door.

"Sure," I said, a little hesitation in my voice as I looked across at Natalie's

partner. She was standing with a hand on her hip, her eyes still hiding behind those big mirrors. I leant over and fumbled around with my fly.

"Officer Joy, would you like to help the gentleman with his zipper?" My mouth fell open as the unknown woman casually dropped to her knees, bringing her glasses level with my crotch. "This'll only take a moment, sir." To my surprise, Officer Joy really did undo my trousers and pulled both them and my boxers down my legs. Natalie pulled a notepad from within her utility vest. "The description I have is of the cock when it's hard. Officer Joy, would you please make the suspect's cock hard?"

"Yes, Ma'am." I looked down as Officer Joy took a hold of my cock and started to wank it, an action which made her breasts jiggle as I stared down

her top. "Suspect?" I asked, shaking as an unknown woman wanked me off in front of my girlfriend. Now that Natalie had taken off her

bulky jacket, her slim frame and big boobs looked amazing.

"He's hard," Officer Joy reported. "If you could just pull back the foreskin," Natalie instructed. There was a real edge to her voice and I couldn't believe how forceful she sounded. "All the way." I groaned as the shiny plum of my glans was exposed.

"Now, what do you think, Officer Joy? Is this the cock we're looking for?" The glasses came off and I was treated to my first view of the bright blue eyes beneath.

"What am I supposed to have done wrong?" I asked.

"We're following up on a report that a gentleman of your description has been

exposing himself."

"My description?"

"All the victims agreed that he had a nice big cock," Officer Joy informed me. Her fingers had slipped to the base of my cock and I bent double as her lips touched the swollen tip and parted as they slid several inches down my shaft. Natalie stepped forward and pressed her fingers against the back of the girl's head. Having my cock sucked while looking into my girlfriend's eyes felt amazing.

"This is Officer Joy's first day on the job. I'm sorry if she's a little over-enthusiastic. I'll continue with the search." The way Natalie stripped the shirt off my back felt less like a search and more like a seduction. She ran her fingers up and down my neck, over my shoulders and down the curve of my back before sliding them round and down my stomach to where her colleague was sucking my cock. For a brief moment, my girlfriend's fingers encircled my shaft and her breasts pressed into my back as another girl sucked my cock. Her hands swept around my waist as she dropped behind me and then went between my legs, gently cupping my testicles as Joy sucked enthusiastically on my cock.

"I want you to come in her mouth," Natalie said, giving my balls a tight squeeze. I gasped at the combination of her instructions and her actions. There was no way to resist two girls in uniform playing with my tackle and I soon blew my load into Joy's mouth.

"Oh God," I groaned but Natalie was already moving onto a new target.

"Did you just swallow the evidence?" Natalie asked sharply. Natalie shook her head with obvious exasperation as Joy nodded. "You know what this means? You'll have to collect another sample... with your cunt." Joy gasped as she heard the harsh word. "Don't play innocent with me!" Natalie snapped. "You know the routine. Come-on, get your trousers off."

I moaned involuntarily as Joy started unlacing her boots. "She's a really naughty girl, aren't you, Joy?" Natalie asked, taking hold of my cock. "I hope it won't inconvenience you to provide another sample?"

"No, of course not." Natalie gave my cock a lazy wank as Joy undressed before offering the juicy little slot between her shapely legs.

"Okay. If you'd just like to spunk your load into Officer Joy." Joy moaned loudly as I touched the tip of my newly erect cock against her pussy.

"Oh, you are a naughty little slut," Natalie said, grabbing hold of Joy's hair and pulling hard enough to expose her throat. "Do you like it when I do that?" she snarled. "How about when I do this?" Natalie pulled something which made her trousers split in half. There was nothing underneath and having exposed her pussy, she then stepped over Joy's face and pulled the woman's mouth against her crotch just as I pushed my throbbing cock into Joy's pussy. "Lick it!"

"There was no way to resist two girls in uniform playing with my tackle."

Natalie demanded in a tone I well recognised. My girlfriend's hips danced over Joy's face before lifting out of range.

"Beg," Natalie instructed. "Oh please," Joy said. "I'll do anything." I'd been Natalie's sex slave on many occasions and it was hot to see her mistreating another slave, especially as she had given me full use of the girl's pussy. I thrust into Joy a little deeper than my previous strokes, making her gasp.

"Good little horny bitch, beg me for it."

"There's one more sample we need to take," Natalie said. "You'll like this," she promised, addressing me. "Bend over," she said to Joy. Joy bent over obediently, if a little nervously. As soon as I saw the way her bumhole had

"Joy's body started shaking, shuddering and finally spasming as she achieved a dirty orgasm."

been lubricated, I understood why she was nervous. My cock understood as well, which was why it sprang back to full wood in a couple of heartbeats.

"Shove it in her arse." I didn't so much shove, as ease my cock into Joy's bottom with a slow smooth push. "How that's your horny bitch? How does his cock feel in your tight little arse?"

"It feels so big and round. It almost hurts."

"Do you like your arse being filled?"

"I love it." I gave Joy's tight little bumhole long deep strokes, pausing to let her enjoy being filled.

As I pumped, Natalie rubbed. "Do you like me playing with your clit as you get bum-fucked?" Again Joy gasped at my girlfriend's filthy choice of words.

"I love it." "Scream for me, Joy. Come for me." The same tell-tale shaking started, followed by intense shuddering. I came with a stuttering but hard orgasm as Joy cried out with the intensity of her own spasms.

"You did well," Natalie murmured, pulling sweaty strands of hair from Joy's face. "Did you get what you came for?"

"Oh God, yes," Joy groaned.

"Bad cops usually do," Natalie said, giving me a dirty wink. Joe, Northants.

"Please, please, please," Joy said, her voice barely audible.

"That's better." I felt Joy's pussy spasm as my girlfriend sat on her face. Her pussy was dripping wet already but Joy's body started shaking, shuddering and finally spasming as she achieved a dirty orgasm. It seemed like the perfect moment to follow Officer Natalie's instruction to give Joy another sample. Dizzy with my second orgasm in quick succession, I left Natalie to extract the maximum pleasure from Joy's talented mouth.

Most British girls I have gone out with would not be seen dead in such a get-up, but Dorota knows that it's sexy and likes the attention she gets.

Her English is pretty good so we don't have any problem communicating. It makes life easier, but even if she couldn't speak a word of English it wouldn't matter because we don't bother too much with conversation. Dorota likes to party, but when we get behind closed doors she gives me her full attention and expects to get mine.

A couple of nights ago we came in after a night on the town. She had downed a few too many and was feeling feisty and wanted to have sex the moment

we stepped inside the door. I had been hoping for this and had laid off the beer a bit because I didn't want my night to be ruined by a dose of brewer's droop. I had barely

"She began pumping my cock and trying to guide it towards her wet hole."

locked the door when she threw herself at me. With her arms around my neck she kissed me deep, pushing her tongue right to the back of my throat.

Tongue play is always a sign that she is raring to fuck, and when she wrapped her long legs around my waist, I carried her straight to the bedroom. Dumping her onto the bed, I stripped off as she wriggled on top of the bedclothes, ripping a hole in the crotch of her tights with her long nails. As usual, Dorota hadn't bothered with panties, so her pussy was bare and damp, waiting for my cock. Ignoring her juicy little pussy for the minute, I reached for her tits, playing with them through her tight top.

Tweaking her hard nipples through the thin material, I made her wriggle and gasp, and straight away she took hold of my shaft and began pumping my cock and trying to guide

it towards her wet hole. I was well ready to fuck her then, but I like teasing her and making her beg for it, so I shook my head and moved down to her twat and began to lick at her pussy lips.

She lay back with her legs spread wide, holding my head as I ate her pussy. I licked her clit with the tip of my tongue, batting it back and forward until she pushed my head against her cunt. As she came I rammed my tongue deep inside her pulsing pussy, savouring her juices as she came.

Abruptly I pulled away, laughing at her protests. She's very greedy when it comes to sex, but I had pleased her enough with my tongue and wanted to give my cock a go in that pussy.

Turning her over, I pushed my solid prick between her thighs and pressed it against her pussy lips. She was well warmed up and, as usual, dying for dick. She raised herself onto her knees and, looking back at me, asked me to fuck her hole hard.

With one swift thrust I plunged my cock right inside her box, forcing my full length inside. Her pussy gripped around my shaft, squeezing it tight, and it felt wicked. Pulling my length back slowly, I waited a second before plunging it back in with full force. Dorota moaned with pleasure as her pussy muscles once again gripped my plunging shaft.

Thrusting my rigid

pole back and forth inside her gripping, dripping twat was fantastic, and I kept it up for a couple of minutes until I felt her stiffen and her pussy squeezing tightly around my rod. She gasped as she came, her hips thrusting back towards my groin as she jerked and bucked on my cock.

Then she turned around and took hold of my nipples. I never thought that my nipples were that sensitive, but Dorota knew how to get them throbbing and my cock felt near to bursting as she pulled and twisted them. I was near to coming but I still hadn't fucked her tight little arse ring, and I had been looking forward to that part all evening. Covering my fingers with saliva, I lubricated

her bum hole. She wriggled her tasty little arse, encouraging me to fuck it.

I began to work my finger around her puckered little anus, pushing it gently inside her tight sphincter. Moving it gently around inside, I fingered her until she was relaxed enough to take my cock. Slowly, I slipped my length right the way in as she fingered her dripping pussy.

She dipped her back as I drove my cock in and out, gradually building up speed as she rocked back and forth on my knob. We worked together furiously to pleasure one another, and soon we were coming simultaneously with her tight anal muscles milking my cock as I sprayed my load right up inside her bum. Immigrant problem? Just keep them coming, I say!

Mike, Reading.

POLE TO POLE!

I know immigration's a bit of a political hot potato these days, but I have to say I haven't got a problem with it - not least because I have recently started going out with a girl from Poland. Dorota is a slim and blonde, but she has a great pair of knockers and, to be blunt about it, she fucks like a proverbial rabbit. Best of all, she's usually the one to make the first move.

She also likes to dress like a bit of a tart, and although I wouldn't like to take her home to meet my mum or anything, it makes me feel really horny seeing her wearing those short

vinyl skirts and clingy tops. I even persuaded her to add some fishnets to her wardrobe to go with the spike heels that she's so fond of wearing.

We honestly can't remember the last time we featured a girl who hailed all the way from Hawaii, but if the stunning Emma Mae is anything to go by, we're clearly missing a trick! We knew the islands had the reputation for being something of a paradise on earth, but it's clearly even better than that!

"Ha - don't get me wrong," interjects the girl herself, "I love Hawaii, but don't believe all the hype about it being a paradise on earth. It's got its problems, just like anywhere else."

Well maybe so, but if it can produce girls as horny as you, the place has got to be doing something right! All we need to do now is start saving up for a ticket...

TIFFANY

Photos: BB Media

Home Counties-based hottie Tiffany James went down a storm when we featured her in *Men Only* towards the end of last year, what with her sultry gaze, stupendous boobs and... well, quite possibly the most enticing helping of pink lettuce we've ever seen in our lives (and we've seen plenty of helpings of pink lettuce!). All in all then, she was guaranteed another appearance and here she is! So what's she been up to since our paths last crossed?

"I think it'd be easier to answer the question 'What haven't I been up to?'" she grins. "Anyone who follows me will know I'm a pretty open minded-sort of girl, and I've been having plenty of fun with guys and gals over the last few months. Who knows, maybe a few of your readers will have seen me in action?"

Well if they have, we're pretty sure it's not something they'll be forgetting in a hurry!

Have you girls been getting up to anything naughty lately? If so, why not write in to us – and if it's raunchy enough to use in Miss Behaviour you'll earn a downturn busting £50! Real Life Adventures

At long last leggy Leah finds out what a proper fucking's like!

My name is Leah and I am 19-year-old student from Ipswich. I am a natural brunette with a naturally trim figure and perky B-cups. Until I met Pete, I'd only had one boyfriend, if you could call him that because he was as inexperienced as me and selfish into the bargain. His idea of a good fuck was a five-minute knee trembler late at night against the side wall of my student accommodation, and as soon as he'd shot his load, he'd zip up, leaving me totally unsatisfied. Later in bed, I'd wank myself furiously, imagining what it would be like to be fucked properly.

"Instead of whipping down my panties, Pete took his time..."

I met Pete at a rich friend's party last summer. My then boyfriend had to leave early because he'd had far too much to drink. Disgusted, I stayed on, enjoying the music and dancing with anyone who asked. Pete asked me to dance and I got a total buzz being with him, and before I knew it there was a slow one playing and we were snogging. He was

he stopped walking, turned me to face him and kissed me. Both his hands went to work, tracing the outline of my panties and squeezing the cheeks of my arse, which made my pussy tingle. I wriggled against him and his hands wandered up, undoing my blouse and sliding inside it.

"Gorgeous tits," he whispered, making me tremble with excitement as he deftly undid my bra and played with my nipples, and even though I hardly knew him, I let him do whatever he wanted. When his lips softly sucked on my teats and his hands raised my skirt, I felt helpless to resist.

Instead of whipping down my panties, Pete took his time, caressing my bum and

handsome and he smelled good, which was a refreshing change from my boyfriend.

We wandered off into the gardens, and Pete put his arm around me, stroking my back as we walked. As we wandered into a stand of trees

gradually working his hands around until he held my throbbing damp pussy. "Beautiful," he murmured, blowing softly into my ear, and then kissing it. I was so turned-on by him that I

"His cock was big compared to my boyfriend's, and I felt a little scared of it."

expected him to get his dick right out and screw me like my boyfriend would have... But Pete didn't. He found my clit and played with it, making me gasp as I rubbed my pussy against his fingers and felt myself starting to come!

Pete's tongue played around my erect nipples, and, as I gasped, he slid at least two fingers inside my slick pussy. Moving them in and out he fingered me deftly, rubbing my clit simultaneously until I was coming again and again. I just could not believe it, I had absolutely no control of my body - my pussy just clamped around his fingers and I was lost in the most unbelievable waves of pleasure.

As I slowly came back to earth Pete supported my trembling body and I realised he had been totally unselfish in giving me pleasure. Smiling, I asserted myself and pushed my hands inside his jeans and pants. God, his cock was big compared to my boyfriend's and I felt a little scared of it, but Pete's gentle manner put me at ease and soon I was enjoying toying with his long, thick appendage.

Casting around for somewhere more private Pete suggested that we try the garden shed behind the trees. There was no padlock on the door and it was great to be somewhere we weren't likely to be discovered. Once inside, Pete worked my panties down and I kicked them off, leaving them where they fell. He sat me on a bare wooden bench and moved between my spread legs. I held his thick cock in both hands, focusing on his large helmet in wonder.

He seemed pleased by my reaction, and taking his cock back he rubbed it along my swollen labia. My pussy was still throbbing from my previous orgasms and my nipples were still almost painfully hard and sensitive. So when Pete leaned forward and sucked one of my nipples I gasped and felt my juice run freely

from between my hot pussy lips. Pete inched his cock inside my dripping slit, his hands gripping my arse-cheeks so tightly that his fingertips were almost up my crack.

Was this what decent fucking was really like? I knew the answer now. I was delirious with arousal, feeling his rock-hard cock deep inside me. In and out he shunted, his big cock pleasuring me, taking me to undreamed heights of excitement. When Pete sensed that I was close to the brink he sped things up, pumping me until I had to grip his back to hold on until he forced me over the edge. His big cock pulsed inside me, filling me up with his warm jizz, and still my pussy convulsed around his big cock as though it needed to empty him of every last drop of his hot come.

With a loud sigh I slumped back on the tabletop as Pete's now flaccid cock slid slowly out. I felt emotional about the whole thing, feeling for the first time since I had lost my virginity a deep bond with my partner. I wanted him to hold me, but gentle though he was, Pete was not finished yet. He pulled out his cock and began to lick my inner thighs, moving upward until he was lapping my juice-slicked pussy lips, his tongue flicking my clitoris and I began to feel the throbbing begin again. I could not understand it -

only moments before I had felt totally satisfied and here I was with the pressure building up again inside my pussy.

Pursing his lips around my clit he sucked hard on my throbbing little nub that I felt myself come again, this time sprinkling my love juice over his chin... and when he pulled me into his arms I could taste myself on his lips.

BECKY

Photos: BB Media

Hello hello, what's this – not another newbie?! Why yes, damn my eyes if it isn't! Becky here hails from Gloucestershire, which off the top of my head makes her pretty unique in terms of UK babes who've modelled for *Men Only* in recent times.

"Oh, surely there must have been a few others!" she protested when we made this observation during the shoot. "We're a friendly bunch out my way, and the girls know how to have a bit of fun!"

Well we're very glad to hear it – and if the rest of the female population of the county is half as fun-loving as Becky clearly is, then perhaps it's high time we popped along for a look around!

"Well let me know if you do – I'll show you all the points of particular interest."

We can already see them from here, love!

HOLLY

Photos: BB Media

Mmm – Holly Kent's one of our fave UK babes these days, not least because she's gone a bit 'old school' in the pube department of late.

"Honestly - I don't really know what you guys see in them!" she pouts. "I far prefer it if my men are completely shaven down there for starters!"

Really, how come?

"Well, I really love sucking on a guy's balls, and believe me, it's much nicer if you don't have any short and curlys tickling the back of your throat. Same thing with blow-jobs. When I'm trying to deep throat a guy, the last thing I want is a nose full of pubes for my troubles!"

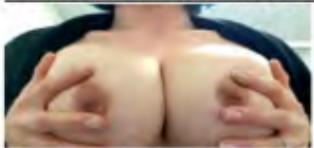

That sounds fair enough. Perhaps we ought to go for a 'back, crack and sack' sometime, then. It sounds like it might be well worth it!

CARTER

Photos: Twistys

We've featured a good number of award-winners in the pages of *Men Only* over the years, and Carter Cruise here is the latest, having bagged quite a few accolades since she got into the business, including Best Actress and Best New Starlet at 2014's AVNs, and the same at this year's XBIZ awards! And it's not hard to see what the judges like about her, is it? A firm bod, a natural beauty and (especially for readers with more traditional tastes!) a natural muff to crown it all off! But how does the girl herself feel about all the accolades she's garnered in her brief career?

"Oh, I'm totally thrilled of course!" she gushes. "It's always a bit nerve-racking at first when you start showing off your body for other people, and that makes it double gratifying when you're told that you're doing a great job! I've been lucky enough to work with some great people too - Samantha Saint in *Cinderella XXX* (see *Men Only* 79.13) was fantastic, and I'm loving every second of it!"

Well long may it last - although we're not sure we will be looking at these pictures!
